

Dear [name of your local MP]

As my local MP, I would like to request that you sign [Early Day Motion 281: Later Life Ambitions](#).

This EDM welcomes Later Life Ambitions, a campaign organisation that represents over a quarter of a million pensioners through three partner organisations; the National Federation of Occupational Pensioners, the Civil Service Pensioners' Alliance, and the National Association of Retired Police Officers.

Later Life Ambitions is campaigning for policies that support older people to lead active, independent lives, as well as celebrating the contribution that many older people continue make to society.

As my local MP, I am sure you will agree with Later Life Ambitions campaign objectives, and you can find further detail about our policies in health, social care, pensions, transport and housing [here](#).

Please let me know if you are able to sign this EDM and if you would be willing to meet with representatives of Later Life Ambitions in Parliament.

Best wishes
